

## BOOK IN A DAY— Student Workshop

The Book in a Day Workshop was held at St Margaret's Berwick Grammar (Officer Campus) with 11 schools in attendance (2 unable to attend). We had the amazing Joel Keith from Express Media come and present 2 skills workshops for the students 'blah blah' and 'blah blah'. Joel is a published Author and Editor and I believe the students would have received invaluable writing tips and tricks by attending Joel's workshops.

We were also luck enough to published Illustrator Mr Luke Tyrrell also hold a skills workshop for the students. Many budding artists were treated to the priceless knowledge and skills Luke had to offer.

2 Teaching staff were also able to hold 2 small workshops to further enhance the experience for the students.

All students had a great time and have taken away many valuable skills, tips and tricks to assist them in their endeavors on writing day (Thursday 11th August).
